Dear Dan:

Thank you so much for the fantastic speaking you did for our Colorado Staffing Association's Annual Conference on May 11th at the Denver Hilton Tech.

Everyone enjoyed your unique style and informative and productive seminar. The questionnaires had "excellent" marked by your name on the conference questionnaires.

It was an outstanding conference and we owe a lot of it to you. You really did a great job and many of the attendees said your information will help in making their companies more successful and productive.

As an event planner and the owner of Rocky Mountain Event Consultants, I know first hand how vital it is to have the right speakers at an event. You were the perfect choice for our conference.

I will continue to recommend you highly to anyone needing a dynamic speaker at his or her event and, of course, I will be calling on you soon for my events!

Best Regards,
